THE HOUSE OF FOX

—ESTABLISHED 1872—

Built Upon Integrity and Highest Standards of Efficiency

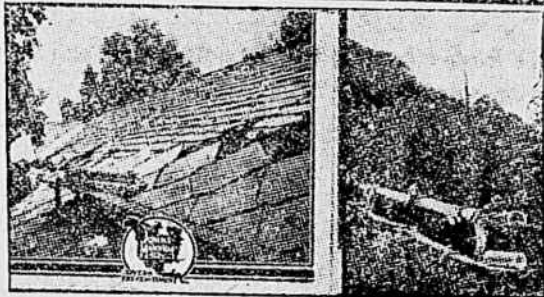

YEARS ago the founders of this business gave their life work to
the making of "building" a fine art as well as a trade.
Beautiful homes, spacious apartments, churches, schools and factories
have been built by this firm in marking the progress of our city and
State.

JAMES FOX & SONS

CONTRACTORS AND BUILDERS

Twenty-fifth and Franklin Streets,

Asbestos Roofing

Is a permanent roof, requires no
cost of upkeep, eliminates fire
risks. Beautiful and attractive
appearance. Any carpenter can
apply it over the old roof.
Send for booklet.

Pipe Coverings

Saves coal. Greater steam effi-
ciency. Prevent pipe from rust-
ing and wearing out. Pays for
itself every six months. A cov-
ering for every condition.
